

Call For Papers

2023 10th International Conference On Mechanical Engineering, Materials Science and Civil Engineering

ICMEMSCE 2023

• Sanya, China

• December 28 to 29, 2023

The International Conference on Mechanical Engineering, Materials Science and Civil Engineering (ICMEMSCE2023) is scheduled to be held in Sanya, China from December 28 to 29, 2023.

This conference mainly focuses on the application of mechanical engineering and material science in civil engineering, aiming to provide an international cooperation and exchange platform for experts and scholars in the fields of mechanical engineering, material science, and civil engineering, share research results, explore existing problems and challenges, and explore cutting-edge technologies.

Publication

Papers submitted to ICMEMSCE2023 will be reviewed by technical committees of the conference. All accepted and registered papers will be published in proceedings. And the press will submit all papers to major databases such as EI Compendex, Scopus and Scholar...

Keynote Speakers

Enlong Liu
Sichuan University,
China

Mohammad Hajmohammadian
Norwegian University of Science and
Technology, Norway

Yushi Liu
Harbin Institute of
Technology, China

Fengling Zhang
Shandong University,
China

Mirza Muhammad
Hong Kong University of
Science and Technology, China

Suchao Xie
Central South University,
China

Avik Kumar DAS
Tsinghua University,
China

Yilin Zhu
Southwest Petroleum
University, China

Important Date

Submission (Full Paper or Abstract): October 16, 2023

Notification Date: October 23, 2023

Registration Deadline: October 31, 2023

Conference Date: December 28-29, 2023

Call for Papers

Topics of Interest for submission include, but are not limited to:

Mechanical Engineering

- Mechatronics
- Mechanical Strength and Reliability
- Mechanical Control
- Mechanical Vibration and Noise
- Mechanical Systems
- Casting and solidification

Materials Science

- Composites Materials
- Organic polymer materials
- Micro / Nano/Bio Materials
- Materials Machining
- Iron and Steel
- Materials Processing Engineering

Civil Engineering

- Civil, Architectural Engineering
- Architecture, Building Materials
- Bridge and tunnel engineering
- Rock engineering
- Structural Engineering
- Building Technology Science

More Topics, please check:

<http://www.icmemsce.org/pages/cfp.html>

Submission Method

• Submit by Open conf:

<http://icmemsce.org/openconf/openconf.php>

• Email submission: cfp@icmemsce.org

Note: Please choose a way to submit, do not repeat the submission.
